ICT STRATEGY FOR MULTI-ACADEMY TRUSTS

A UNIQUE SERVICE FROM A
SPECIALIST CONSULTANCY

WORKING WITH YOU IN PARTNERSHIP

DISCOVERY PHASE

This initial phase is all about understanding the IT estate, technically, operationally and financially, in the context of the vision for ICT. It is also a 'Healthcheck' to find out any current issues or potential risks in being able to use the ICT infrastructure to support teaching, learning and management across the School, Academy or Trust.

- Technical health checks at each site
- Review of curriculum needs
- Review of management needs
- Understanding support models
- Understanding support contracts
- Trust needs for data from Academies
- Attitudes to new technologies
- Parental requirements
- Asset registers
- Financial models
- Refresh models
- Procurement models
- E-safety & GDPR
- Staff survey
- BYOD readiness
- Curriculum software analysis
- Print audits

'MAKING IT HAPPEN' PHASE

This phase is all about putting the plans in place to enable effective and manageable ICT that is "joined up" across the trust.

- 5 year financial "as is" model
- 5 year financial 'optimum' modelling
- Supplier rationalisation
- Savings strategy
- Benchmarked costs
- Policies & AUPs in place
- Management models
- Procurement
- Operational models
- Out tasking models
- Office 365/Google demo/plans
- Staff needs/training
- Data management
